EXHIBITORS' GUIDE

INTRODUCTION

The 1940s Event is being organised by the RAF Harrowbeer Interest Group (HIG). It will be based around the Dispersal Bay restored by the RAF Harrowbeer Interest Group and on land alongside Knightstone Tearooms on the former WWII airfield, near Yelverton, Devon.

ACCESS FOR EXHIBITORS AND THEIR VEHICLES

Once you have booked your pitch, you will either be emailed a vehicle pass to print or sent a hardcopy via your SAE if enclosed/requested. The Car Pass, which applies for both days of the event, **MUST** be clearly displayed on your windscreen to gain entry to the site on Saturday & Sunday.

We would ask Exhibitors & Stallholders to use the car park wherever possible. **Cars MUST NOT be parked on the perimeter road unless previously agreed with the Organisers.** If you need more than one Car Pass please ensure you request this on your Booking Form. Please be aware that for public safety we will be restricting the movement of vehicles to/from the Car Park after 09:30 until the closure of the event each evening. Casual/part time Stall Assistants can also park in this car park.

SETTING UP/TIMES OF OPENING

Stallholders are responsible for setting up of their own tentage/stand area. The Event Organisers would prefer as many stalls as possible to be set up during Friday 13th August.

DATE	TIMINGS	In order to minimise traffic movement in the event area once the public are on site, stallholder vehicles should be parked in the Car Park and should not be moved after <u>9.30am</u> unless absolutely essential.
Friday 13 th August	Setting up is possible all day.	
Saturday 14 th August	Set-up from 8am: Open 10.00am to 6.00pm	
Sunday 15 th August	Set-up from 8am: Open 10.00am to 6.00pm	

All stalls must be set up and vehicles moved to the designated car park by 9.30am on both Event days. The Event opens to the public at 10.00am and closes at 5.00pm on both days. No stall should close before these times as we have a large number of visitors who may arrive in the late afternoon and who must be afforded sight of the whole event. Stallholders & Exhibitors vehicles should not be moved while the public are still on site. **Smoking is not permitted in any tent or marquee.**

SECURITY

Whilst there will be people on site during the night, there will be no special security patrols. Therefore, Stallholders are advised to make arrangements for the safe keeping of items of equipment or stock in trade, which are valuable and need special arrangements for their security.

ELECTRICITY/WATER
